

ENGINEERING SCIENCE NEWSLETTER

Volume: IV

Issue: I

Vision:

Engineering science department of NDMVPS's KBT College of Engineering determines to become a centre of learning in the field of "sciences-in-engineering" and the development of human values to develop engineers those can apply basic knowledge in engineering field to serve society.

Mission:

- 1.To produce graduates with strong knowledge of engineering sciences who are anchored on the principles of hard work and integrity.
- 2.T o cultivate scientific culture with mathematical approach.
- 3.To solve the problems in engineering and improve it.

First Year Engineering (2020-21) *Induction Program*

Date: 01/02/2021

- The first day of induction program began with the Parent-Teachers Samaj meet.
- The meet took place in presence of Dr. S. R. Devane (Principal, MVPS's KBTCOE), Prof. N. B. Desale (Vice-principal, MVP's KBTCOE), Ms. J. J. Nerkar (HOD, Engineering Science), event coordinators Dr. K. T. Patil & Mr. P. V. Joshi. Ms. J. J. Nerkar introduced students and parents about the college facilities, syllabus and examination pattern of first year engineering.
- Principal Dr. S. R. Devane guided students and parents about the recent development in the engineering and guided to use facilities provided by engineering institute.
- Vice-principal Prof. N. B. Desale guided to students & parents about various activities initiated in college.

First Year Engineering (2020-21) *Induction Program*

Date: 02/02/2021

- Day two began with expert talk by Mr. Nilay Kulkarni on “Innovation without boundaries”. He is
- a software developer, entrepreneur, and student. Nilay has worked on a stampede prevention system for large gatherings. It was successfully implemented at the “Sinhasta Kumbh Mela” in 2015 and counted 5 lakh people in 18 hours on the 2nd shahi snan while alerting the authorities in real-time. Very interactive session took place by Mr. Nilay Kulkarni.
- The second session of day 2 is conducted by Mr. Avinash Dholi on “De-addiction”. Mr. Avinash Dholi is a member of Vyanamukti Kendra. In this session he makes aware students about health concerns related to addiction of various tobacco and alcoholic beverages.

First Year Engineering (2020-21) *Induction Program*

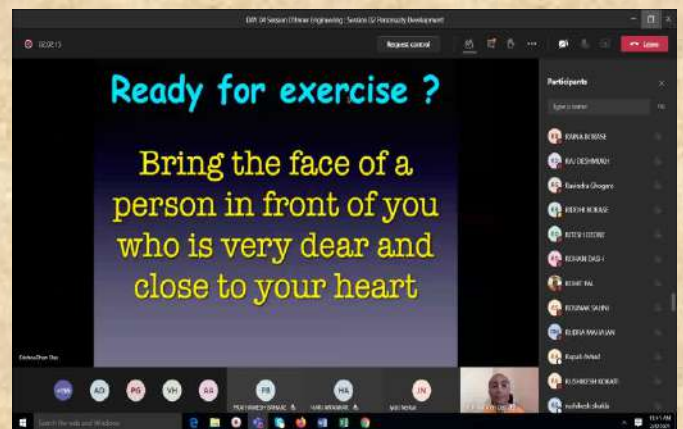

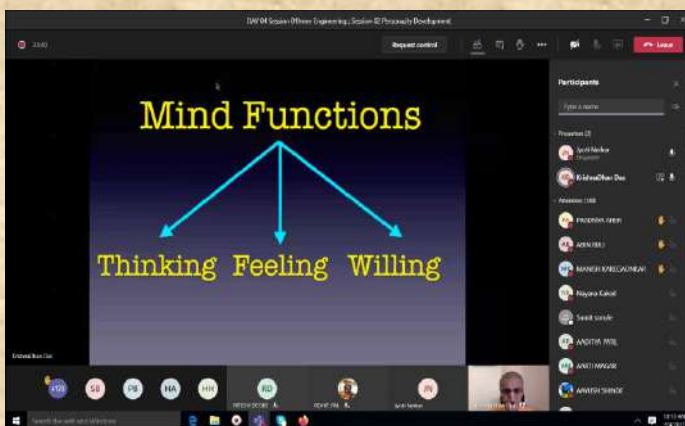

Date: 03/02/2021

- First session of day 3 is conducted by Dr. Shailendra Gaikwad on “Success mindset”. Dr. Shailendra Gaikwad is psychologist who delivered various expert talks on this topic. He guided students about how to set the success mindset that will be helpful students for achieving success in the academics and other activities.
- In the second session, Shri. Krishna Dhan Das ji has guided students about “Time Management”. Shri. Krishna Dhan Das ji is a Motivational Speaker, Author & Spiritual Seeker. He is the president of ISKCON temple Nashik. He introduced various techniques for planning and managing different things in his presentation. Students were interacted with then on this topic

First Year Engineering (2020-21) *Induction Program*

Date: 04/02/2021

- On day four of this Induction program both sessions are taken by Shri. Krishna Dhan Das Ji. The first session is on “Inner Engineering” and the second session is on “Personality Development”.
- Both sessions are very helpful for first year students as to explore themselves. Students were asked their questions related to above topics and later on some mind exercises have been conducted for students.

First Year Engineering (2020-21) *Induction Program*

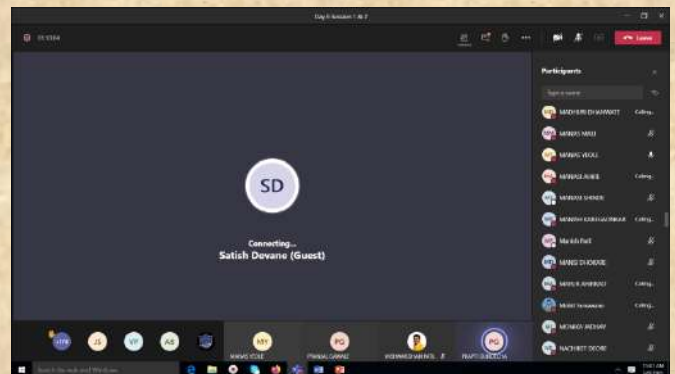

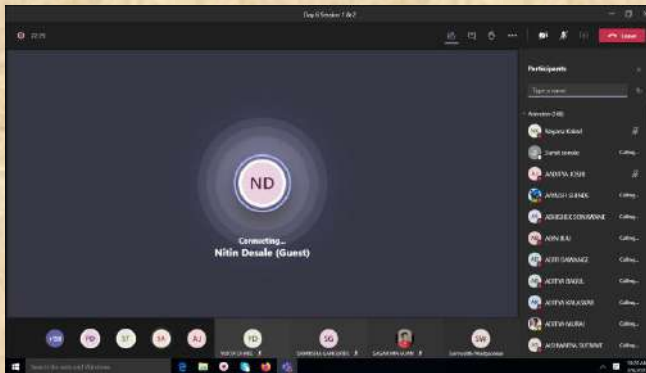

Date: 05/02/2021

- First session start with “Cyber Security” by Mr. Santosh Munde who is a cyber ambassador. He guided students about various hacking methods that can happen when you are working online. He make aware students that what precautions we can take to avoid cyber attacks and also he explained how to file complaint if any type of fraud happens with them.
- The second session is on “Mental Health” by Dr. Anuradha Harkare. She is a founder of Mind Catalyst study Counseling Centre, Pune. She delivered various expert sessions on Psychology. She explained about mental health during different situations.

First Year Engineering (2020-21) *Induction Program*

Date: 06/02/2021

- First session start with “Ya Janmavar (Live your Life)” by Prof N. B. Desale, who is vice-principal of MVPS’s KBTCOE. Sir has delivered very nice session on how to live your life most lovingly.
- In the last session Dr. S. R. Devane who is principal of MVP’s KBTCOE delivered an expert talk on “Future World”. Sir explained various technologies wick are coming in the market and future trends of various applications.

Session on “Air pollution in Nashik” by Mr. Roshan Kedar and Mr. Chandu Patil

Date: 06/02/2021

- First Year Engineering Students Association (AARAMBH) and Nature’s Club KBTCOE has organized an awareness program on "Air Pollution in Nashik". For delivering the session about air pollution in Nashik, Mr. Roshan Kedar (Climate change campaigner, jhatkaa.org) along with Mr. Chandu Patil (Cleanliness campaigner) was visited to our college.
- Mr. Roshan Kedar has guided students of first year engineering about the awareness of air pollution. In the session he explained about NMC application which can be installed on our smart phone made by NMC, Nashik for the ease of communication to the people. The detailed procedure on how to raise a complaint if you found unnecessary garbage in front of your surroundings have been explained in this session. Mr. Chandu Patil assisted him in making the awareness on air pollution.

Parent-Teacher meet (Through Google meet)

Date: 27/03/2021

- F.E. Parents virtual meet was arranged on 27/03/2021
- Difficulties and doubts regarding insem, endsem exam was cleared by exam CEO Prof. B.N. Shinde sir. Details of Exam pattern and syllabus coverage was explained by Prof. J.J. Nerkar madam (H.O.D. of Engineering science). Principal Dr. S R Devane sir while addressing parents appealed them for supporting their ward in extra-curricular activities.
- Attendees: Around 130 were present for the parent-teacher meet.
