TECHNICAL NEWS LETTER: FEBRUARY 2019

Vol.:3
Issue:02

KBT COE NEWS LETTER

NDMVPS's K.B.T. College of Engineering, Nashik has been serving the society larger since 1999. At present the college provides four year courses leading to Bachelor's Degree of Savitribai Phule Pune University in Mechanical Engineering, Computer Engineering, Instrumentation and Control Engineering, Electronics and Telecommunication Engineering, Civil Engineering, Information Technology along with post graduate courses in MBA, ME Mechanical (Design Engineering) and ME Civil (Construction Management). The institute has been accredited with NAAC 'A' Grade.

The purpose of this Newsletter is to provide information to the student-staff fraternity of Nashik and society at large of the news, including relevant announcements and updates that we believe are important to them. However, this newsletter is also a valuable tool for bolstering morale, promoting unity, team spirit, motivating and rewarding achievements of KBT COE, Nashik. This college News-Letter has been started from January 2017 and latest issue will be available on the college website: www.kbtcoe.org

Vision, Mission and Objectives of the Institute :

Vision

To be Internationally accredited, Multidisciplinary, and Multi-collaborative institute working on technology enabled platform fostering innovations and patents through state-of-art academic system designed by highly qualified faculty for the development of common masses at large

Mission

To educate and train common masses through undergraduate, post graduate, research programs by inculcating the values for discipline, quality, transparency and foster career and professional development for employment thereby contributing to the development of society

Objectives

- To develop technically-sound engineers by engaging the students in progressive technical education and to promote students for academic growth by offering state-of-the-art undergraduate, postgraduate programmes.
- To undertake collaborative projects which offer opportunities for long-term interaction with society, academia and industry.

1. Training & Placement

Department of Information Technology

▪ Student Placement (February 2019)

Following students from BE IT have been placed in various reputed companies during month of February 2019. For this achievement, Dr. N. S. Patil (Principa), Prof. N. B. Desale (Vice-Principal), Dr. V. R. Sonawane (HoD) and faculty members from IT department congratulated them.

Student Name	Company Name
Mr. Nikhil Patil	Aress Software
Ms. Poonam Dhomse	Aress Software
Mr. Suraj Pawar	Aress Software
Ms. Ragini Mahale	Aress Software
Ms. Radhika Maheshwari	Confluxsys Pvt Ltd.
Ms. Geethu S.	NeeeyamoPvt Ltd.
Mr. Prathamesh Malpure	Confluxsys Pvt Ltd.
Mr. Saurabh Kshirsagar	Confluxsys Pvt Ltd.
Ms. Krutika Chakor	Cognizant Technology Solutions
Ms. Karishma Inamke	Cognizant Technology Solutions

Department of Electronics & Telecommunication Engineering

▪ Student Placement (February 2019)

06 students of Electronics & Telecommunication Engineering have been placed in the month of February 2019. Mr. Ankush Chaudhari has been placed in Neeeyamo Ltd. Ms. Survana Rao has been placed in Onwal Ltd. Mr. Santosh Nagpure has been placed in Fox control Pvt. Ltd. Mr. Shekhar Lokare, Mr. Shubham Khodade & Ms. Akshada Avhad have been placed in L-cube Pvt. Ltd.

Department of Instrumentation & Control Engineering

▪ Student Placement (February 2019)

Ms. Kshitija Dhamane, a BE student of Instrumentation & Control Engineering department is placed in Amazon Development Center (India) Pvt. Ltd., Pune.

Department of Civil Engineering

▪ Student Placement (February 2019)

Mr. Abhishek Patil, Mr. Kunal Deore, Mr. Sanket Sanap, Mr. Siddharth Pise, Ms. Hrutiya Gawit, Ms. Neha Bodake, Ms. Pallavi Solase, Ms. Sayli Nerkar and Ms. Amruta Garud are students of BE Civil who got selected in campus drive and placed in Paras CADD Pvt. Ltd., Pune as Jr. Piping Engineers. Mr. Nikhil Hemant Bhoir, a student of ME Civil, selected in Nashik Municipal Corporation as a Project Manager for a smart city project. Ms. Ankita Kolhapure and Ms. Shalaka Hire joined as Assistant Professor in KKWIEER and SCOE, Nashik respectively.

Department of Computer Engineering

▪ Student Placement (February 2019)

Students of Computer Engineering department have achieved success in their career with excellent placements. Ms. Trupti Chaudhari has been placed in Confluxsys Pvt.

Ltd. Ms. Praniti Shete has been placed in Neeyamo Enterprises Pvt. Ltd. Ms. Pratiksha Deshmukh, Ms. Ankita Jadhav, Ms. Shikha Gupta, Ms. Riynka Rai have been placed in Aress Pvt. Ltd.

2. Workshops/Seminars/STTPs/FDPs

Department of Information Technology

- Faculty invited as Keynote speaker at National Level Conference

Sir Visvesvaraya Institute of Technology, Chincholi, Nashik organized a national level conference on "Advanced Computing and Data Processing 2K19" on 12th February 2019. For this event, Prof. S. P. Jadhav (Assistant Professor, IT Dept.) was invited as Key Note Speaker.

Department of Electronics & Telecommunication Engineering

- Seminar on Cyber security & Law by Mr. Tanmay Dixit (26th – 27th February 2019)

A Seminar on Cyber security & Law by Mr. Tanmay Dixit was organized on 26th & 27th February 2019 for the SE students.

- Workshop on Disaster Management (21st – 22nd February 2019)

A Two Days Workshop on Disaster Management funded by the SPPU is conducted in college on 21st & 22nd February 2019. Six Students from the E & TC Department were participated in the Workshop.

- Workshop on "Advance Excel" (01/02/2019)

On the occasion of "IETE students Day"(1st February), ISTE student chapter (ISF) of Department of E&TC invited corporate Microsoft Excel Trainer, Microsoft Certified, Mr. Ashok Sindkar, for workshop on "Advance Excel"

Department of Instrumentation & Control Engineering

Workshop on “IoT for Defense” (14th – 15th February 2019)

More than 250 students of various branches present for Two days' Workshop on “IoT for Defense” organized by Department of Instrumentation & Control Engineering on 14th and 15th February 2019. Prof. Dr. Omprakash Kulkarni, Wing Commander Dr. JayeshPai and Tanmay Dikshit were the main attraction.

Department of Civil Engineering

▪ **Geological Field Visit (28/02/2019)**

The field visit of SE Civil engineering students was arranged on 28th February 2019 to Geological site for the study of various Geological features.

▪ **Viridian Valleys (20/02/2019)**

An industrial visit arranged at Viridian Vallis (Sun Infrastructure Ltd.), Gangapur Road, Nashik for ME-FY students on 20th February 2019 to by The purpose of the visit was to study and understand material management principles and its application, use of ERP software in the construction industry and use of new technology: EURO-FORM formwork for speedy construction.

▪ **Water Treatment Plant (04/02/2019)**

Department of Civil Engineering has organised a visit to the water treatment plant, Nilgiri Bag, Nashik on 4th February 2019 for TE Civil Students. The purpose of this visit is to study the various components of the water treatment plant, to study the various processes involved in water treatment and to study the purpose and working of each water treatment units.

Department of Computer Engineering

▪ **Sahyadri Farms (26/02/2019)**

Computer Engineering Department organized an Industrial visit for the final year students at Sahyadri Farm, Nasik on 26th February 2019. The final year students were explained the details of how QR code is used for storing farmer, farm location and period of harvest details.

▪ **Sivanand Electronics (22/02/2019)**

Computer Engineering department organized an Industrial visit for the third year students at Sivanand Electronics, Nashik on 22nd February 2019. Students were demonstrated and explained the Oil testing hardware, security hardware like metal detector and security entrance.

▪ **ESDS Mumbai (21/02/2019)**

Computer Engineering department organized an Industrial visit for the final year students at ESDS, Nasik on 21st February 2019. The final year students were explained the details of data center services and data management on cloud.

▪ **Sarda Farms (04/02/2019)**

Computer Engineering Department organized an Industrial visit for the third year students at Sarda Farm, Nasik on 4th February 2019. The third year students were explained the details of how IOT has been used for automating their work activities.

4. Expert Talk/Lectures

Department of Information Technology

- **“Guidance on higher education and job opportunities in foreign” (18/02/2019)**

Department of Information Technology organized expert talk on “Guidance on higher education and job opportunities in foreign” on 18th February 2019 for Third Year IT students. Ms. Chaitali Shroff (SAP Sales & Distribution Consultants, Boral.com, Atlanta, Georgia and USA) who is department alumni was invited as a resource person for this expert talk.

Department of Electronics & Telecommunication Engineering

- **“Organ Donation” (16/02/2019)**

NSS Unit of the institute has organized a Seminar on “Organ Donation” to make the students aware regarding the Organ Donation on 16th February 2019. Dr. Nagesh Aghor (Kidney transplant expert) was invited as the resource person for the same.

- **“Quality Control & Six Sigma” (12/02/2019)**

Department of Electronics & Telecommunication invited Six Sigma Consultant, Mr. Pradip Joshi, for expert session on “Quality Control & Six Sigma” on 12th February 2019.

“Laughter Yoga & Healthy Life”
(12/02/2019)

On 12th February 2019, PAES invited Mrs. Aditi Waghmare, for expert session on “Laughter Yoga & Healthy Life”.

“Aptitude and Carrier Opportunities for Engineering Students”
(11/02/2019)

PACE invited Mr. Vijay Kamat (Maths-IIT) for expert session on “Aptitude and Carrier Opportunities for Engineering Students” on 11th February 2019.

Department of Instrumentation & Control Engineering

“Professional development and teaching practices”
(28/01/2019)

An expert session on “Professional development and teaching practices” was organized for all Teachers on 28th January, 2019. Mr. Mangesh Bhangе guided the staff members on preparation, conduction of lectures and innovative practices. Dr. N. S. Patil (Education Officer & Principal) felicitated Mr. Mangesh.

“Pariksha Pe Charcha”
(29/01/2019)

An online live expert session on “Pariksha Pe Charcha” was organized for the Students, Parents and Teachers on 29th January, 2019, at TE Class room by Instrumentation & Control. Prime Minister Shri Narendra Modi Addresses the session to Indian and Abroad audience.

▪ **“Higher Education Opportunities in Germany” (30/01/2019)**

An expert session on “Higher Education Opportunities in Germany” was organized for BE (I&C) Students and Teachers on 30th January, 2019, at Electronics Lab, Instrumentation & Control department. Mr. Pranav Avekar (Alumni) guided the students regarding preparation, selection of universities and procedure of application.

▪ **Guidance on GATE exam (27/02/2019)**

An expert lecture was arranged by department of Instrumentation & control for second year students on 27th February 2019. Ms. Shweta Gunjal (Alumni, 2017-18 batch pass out) was invited as resource person for guidance on GATE exam.

▪ **“Ergonomics & Aesthetics” (26/02/2019)**

Expert Lecture on “Ergonomics & Aesthetics” by Prof. Suvarna Patil (MVPS’s College of Architecture and Centre for Design, Nashik) was organized for T. E. students on 26th February 2019.

▪ **“PLC and Automation” (21/02/2019)**

An expert lecture on PLC and Automation was conducted by Ms. Sujata Dattatraya Tidame (Assistant Professor department of Instrumentation and Control) on 21st February 2019 in Department Of Electronics And Telecommunications.

▪ **Guest Lecture Series (12-Lectures)
 (February 2019)**

A Guest Lecture Series (12-Lectures) by Ms. Shweta Gunjal (Alumni, 2017-18 batch pass out) was carried out for Second Year students for the subject Automatic Control System during 05/02/2019 to 27/02/2019.

Department of Civil Engineering

▪ **“Business Opportunities in Civil Engineering” (22/02/2019)**

A guest lecture was organised for SE students on “Business Opportunities in Civil Engineering” on 22nd February 2019. Mr. Rahul Pagare (RP Enterprises, Nashik) guided the students.

Department of Computer Engineering

▪ **RED-X (20/02/2019)**

A session was conducted on RED-X for S.E., T.E. and B.E. students by Mr. Subhash Patil (V.P., Kumbhthon and Secretary MKCL) on 20th February 2019.

▪ **Cyber Security (8th & 11th February 2019)**

Cyber security club organized a session on Cyber Security for the students of Silver Oak school and Horizon Academy. The session was conducted by student volunteer Ms. Vishaka Pawar of Computer Engineering department on 8th & 11th February 2019.

Department of Mechanical Engineering

Stress Management (06/02/2019)

An expert talk on stress management was conducted by Dr. Hemant Sonanis on 6th February 2019. During his session, he guided students about how to tackle difficult stress situations during students phase.

Department of Engineering Science

“Idea, Innovation & IPR” (28/02/2019)

On occasion of National Science Day, 28th February 2019, expert talk was organized by Students Association for First Year Engineering (AARAMBH). Mr. Abhijit Bhand who is a production engineer, entrepreneur and currently founder & CEO of Kanadlab. Prof. N. B. Desale (Vice Principal) felicitated Mr. Abhijit.

“Mind Matters” (16/02/2019)

Mr. Chirag Patil addressing students on the subject Mind Matters on 16th February 2019

Women Redressal Cell

“Self Defense Awareness” (06/02/2019)

Women Redressal Cell organized a session on “Self Defense Awareness” for the female students of the college. The session was conducted in association with Nirbhaya Kanya Abhiyan of SPPU, Pune. The speakers of the session were Prof. Subhash Rajguru (Director, Maharudhra Academy), Ms. Kalyani Varma (Police Sub Inspector, Cyber Police Station and Mr. Sachin Kokane (Self Defence Expert).

5. Technical Activities

Department of Instrumentation & Control Engineering

- Technical Conference (23/02/2019)

Mr. V. A. Ahirrao had discussion related to Development of High reach vacuum cleaner for Industry Cleaning Purpose with Mr. Prashant Pandey (Director, Sneh Enterprise) The same problem is given to Mr. Asifali Contractor (Third year student) for further study.

Department of Civil Engineering

- Association of Consulting Civil Engineers (India) Students Chapter (27/02/2019)

Department of Civil Engineering arranged opening ceremony of Association of Consulting Civil Engineers (India) Students Chapter on 27th February 2019. Students from SE, TE, BE and ME Civil attended the function. Chief guests, Er. Vijay Sanap and Er. Avinash Shirode along with Er. Punit Rai, Er. Anil Kadbhane, Er. Samadhan Gaikwad, all committee members of ACCE (I) Nashik Centre, Prof. N. B. Desale (Vice Principal) and Dr. M. P. Kadam (HoD) inaugurated the Students Chapter.

6. Student/Staff Achievements

Department of Information Technology

- NES Innovation Awards (23/02/2019)

NES Innovation Awards is a unique idea developed to recognize and reward innovation. In such a prestigious competition, three project groups from IT department, NDMVPS's KBT COE got selected among top 50 projects.

Department of Instrumentation and Control Engineering

- Development & Installation of Prototype (February 2019)

Final year Instrumentation & Control Engineering students, Mr. Pavan Patil, Mr. Jijo Plapuzha and Mr. Chavan Charudatta has successfully designed, developed & installed prototype for five assembly lines at CEAT Ltd., Nashik under final year project work entitled, "IIoT based Temperature Measurement System For Five Lines Pressing Unit".

▪ **Vasant Karandak 2019 (February 2019)**

Students of Final year Instrumentation & Control engineering participated in sports events like Cricket, Volleyball & Football in Vasant Karandak 2019.

“Women-Centric Families” was the topic of Expert talk in Parents Meet in Department of Instrumentation & Control Engineering on 23rd February 2019.

7. Parent Meet (23/02/2019)

Dr. V. R. Sonawane (HoD-IT) guiding the parents during the parent meet

Dr. M. P. Kadam (HoD-Civil) guiding the parents during the parent meet

As a part of OBE (outcome based education) & to bridge the gap between industry and institute, a second meeting of Industrial Advisory Board & Stock Holder was held on 23rd February 2019 to discuss various issues to achieve & implement OBE at Department of Electronics & Telecommunication Engineering.

Dr. V. S. Pawar (HoD-Computer) discussed the progress of the students and specified the various activities conducted in the department for the betterment of the students.

Parents meet was conducted on 23rd February 2019 at Department of Mechanical Engineering. Principal Prof. N. B. Desale during his speech guided parents regarding development of students and asked for combine efforts by faculty as well as parents for development of students.

8. Other Activities

- NBA Team Visit at SSGM COE, Shegaon (7th & 8th February 2019)

Prof. N. B. Desale (Vice Principal) felicitating Dr. S. B. Somani (Principal, SSGM COE, Shegaon) during the visit to SSGM COE

Department of Electronics & Telecommunication Engineering

- "Women Safety & Self Defense" (29/01/2019)

Dr. N. S. Patil (Principal & Education Officer, MVP Samaj, Nashik) facilitated Dr. Ravinder Singal, Prof. N. B. Desale (Vice Principal), Dr. V. M. Birari were present for the program on "Women Safety & Self Defense" on 29th January 2019.

- Interactive session of "Industry Placed Students through Campus" (13/02/2019)

PAES-E&TC organized an interactive session of "Industry Placed Students through Campus" with SE & TE students on 13th February 2019.

▪ **Adhartirtha Ashram (04/02/2019)**

PAES-E&TC along with its staff visited Adhartirtha Ashram on 4th February 2019.

Department of Instrumentation and Control Engineering

▪ **Practical Conduction (22/02/2019)**

Mr. Ahirrao V. A. and Mr. Sandeep Patil conducted a practical for the second year Civil engineering students on “Use of Pressure Transducers for different parameters”.

Mr. Ahirrao V. A. and Mr. Sandeep Patil conducted a practical for the Second Year Electrical Engineering students of RSM Polytechnic in Sensor and Transducers laboratory.

▪ **Departmental Library Book Exhibition (02/02/2019)**

Department of Instrumentation & Control engineering organized Books exhibition of Departmental Library books for students & staff members of college. Total Titles: 258 books, Total Volume: 429 books (including donated books) were on display. Prof. N. B. Desale (Vice Principal) during the exhibition.

▪ **Book Donation (01/02/2019)**

Mr. Y. P. Patil sir & Mr. S. D. Nikam donated two technical books to departmental library on 1st February 2019.

9. Social Activities

Department of Engineering Science

Activity for Cancer Patients (14/02/2019)

In occasion of world cancer day, students association of first year engineering (AARAMBH) did a social activity. As a part of this activity, students made some greeting cards and messages for the cancer patients at HCG Manavata cancer center which are located at Mumbai naka, Nashik.
