KBTCOE NEWS LETTER

The NDMVPS's K.B.T. College of Engineering, Nashik has been serving the society since 1999. At present the college provides four year course leading to Bachelor's Degree of Savitribai Phule Pune University in Mechanical Engineering, Computer Engineering, Instrumentation and Control Engineering, Electronics and Telecommunication Engineering, Civil Engineering, Information Technology along with post graduate courses in MBA, ME Mechanical (Design Engineering) and ME Civil (Construction Management).

The purpose of this Newsletter is to provide information to the student-staff fraternity of Nashik and society at large of the news, including relevant announcements and updates that we believe are important to them. However, this newsletter is also a valuable tool for bolstering morale, promoting unity, team spirit, motivating and rewarding achievements of KBT COE, Nashik. This college Newsletter has been started from January 2017 and latest issue will be available on the college website: www.kbtcoe.org

Vision, Mission and Objectives of the Institute :

Vision

To be Internationally accredited, Multidisciplinary, and Multi-collaborative institute working on technology enabled platform fostering innovations and patents through state-of-art academic system designed by highly qualified faculty for the development of common masses at large

Mission

To educate and train common masses through undergraduate, post graduate, research programs by inculcating the values for discipline, quality, transparency and foster career and professional development for employment thereby contributing to the development of society

Objectives

● To develop technically-sound engineers by engaging the students in progressive technical education and to promote students for academic growth by offering state-of-the-art undergraduate, postgraduate programmes
● To undertake collaborative projects which offer opportunities for long-term interaction with society, academia and industry

1. Training & Placement

Department of Information Technology

■ **Student Placement (August 2018)**

Ms. Rutuja Sonawane (Batch: 2017-18) got selected in SYNTEL, Pune and Ms. Shreya Bhosale from same batch got selected in Emtec Technologies, Pune through campus placement. Mr. Mukund Bankar (BE-IT) got selected in Persistent System, Pune. Dr. K. S. Holkar (Principal), Dr. V. R. Sonawane (HoD) and the staff of the department congratulated the students for their success.

Department of Electronics & Telecommunication Engineering

■ **Barclay's Student Training (23rd to 25th August 2018)**

Barclay as a global organization offers training around the world and careers that are both challenging and rewarding. 03-days Barclay's training was organized during 23rd to 25th August 2018 to foster and improve leadership qualities in students. The students of the final year took the benefit of the program.

Students during the training program

Department of Civil Engineering

■ **Student Training (31/08/2018)**

Department of Civil Engineering in association with National Institute of Building Technology (NIBT) organized Career guidance

cum training session on 31st August 2018. In this session students were guided on Revit Architecture (Basics) and Revit MEP. The students and staff members of the department took the benefit of the session.

Experts interacting with students during the training session

Department of Computer Engineering

■ **Students Placement (August 2018)**

Sr. No.	Name of the Student	Name of the Organization
1	Ms. Jineesha Shah	KPMG Ltd., Bangalore
2	Ms. Komal Bodake	Capgemini Ltd.
3	Ms. Rutuja Ghate	
4	Ms. Neha Gaikwad	
5	Ms. Shreya Sulakhe	Aress Software Solutions Pvt. Ltd., Nashik
6	Ms. Shrutika Patil	
7	Ms. Anuja Tamboli	Triarq Pvt. Ltd., Nashik
8	Ms. Madhavi Sontakke	
9	Ms. Vidisha Bagul	Sula Pvt. Ltd., Nashik
10	Mr. Husain Yusuf Dehnuwala	Zensar Technologies, Pune

Department of Mechanical Engineering

■ **Students Placement (August 2018)**

The final year students of the department, Ms. Komal Aher and Mr. Akshay Bhadke have

been selected in Bosch Ltd. and Epiroc Mining Ltd. respectively through campus recruitment process. Dr. K. S. Holkar (Principal), Dr. S. P. Mogal (HoD) and all staff of the department congratulated the students for their success.

2. Workshops/Seminars/STTPs/FDPs

Department of Information Technology

- **Workshop on "ISCP" by FOSSEE IIT Bombay (23/08/2018)**

  Department of Information Technology in collaboration with FOSSEE IIT Bombay organized a one day workshop on "Introduction to Scientific Computing using Python (ISCP)" on 23rd August 2018 for second year students. Prof. Prabhu Ramachandran (IIT Bombay) guided students through online videos. The participants got in-depth knowledge and hands on practice on Python.

Students during the workshop

- **Paper Bag Making workshop (20/08/2018)**

Students during the paper bag workshop

Department of Information Technology organized paper bag making workshop on 20th August 2018.

Department of Electronics & Telecommunication Engineering

- **Paper Bag Making workshop (29/08/2018)**

  ED Cell of Electronics & Telecommunication Engineering department organized a Paper Bag Making Workshop for second and third year students on 29th August 2018. Ms. Sneha Gaikwad, Ms. Pooja Jore, Ms. Nikita Chavan and Ms. Pratiksha Waghchaure guided the students on the systematic process of making a paper bag.

Students during the paper bag workshop

- **Recent Trend in VLSI Design using MICROWIND (16th – 17th August 2018)**

  Department of Electronics & Telecommunication Engineering organized a two-day workshop on "Recent Trend in VLSI Design-using MICROWIND" on 16th & 17th August 2018. The workshop was conducted by Mr. Shrikant (Sr. Application Engineer, Ni2 Design Solutions, Pune). The student and staff of the department took the benefit of the session.

Dr. K. S. Holkar (Principal), Staff & students of the department during certificate distribution

Department of Civil Engineering

- **Paper Bag Making Workshop (30/08/2018)**

The department of Civil engineering organized a workshop on Paper Bag making on 30th August 2018.

Students & staff during the paper bag workshop

Department of Computer Engineering

- **Paper Bag Making Workshop (28/08/2018)**

Department of Computer Engineering organized a workshop on Paper Bag making. Government of Maharashtra has banned the use of plastic bags; hence for the promotion of eco-friendly Paper bags use, the department organized a Paper Bag Making workshop on 28th August 2018. Students actively participated in the workshop and prepared the bags from the waste paper.

Students & staff during the paper bag workshop

- **Workshop on Python Programming (01/08/2018)**

Department of Computer Engineering organized a workshop on Python programming for the third year and final year students during 31st July to 1st August 2018. The sessions were conducted by Mr. Tushar Kute (MiTu Skillologies, Pune). Python programming is mainly used for backend web development, data analysis, artificial intelligence, and scientific computing. The hands on sessions were also conducted to explain the concepts of Python programming like data handling in the form of sequences, sets, dictionaries and iterations.

Hands on session during workshop

ED Cell

- **Workshop by Mr. Dilip Auti (28/08/2018)**

The ED Cell organized a workshop on 28th August 2018. Mr. Dilip Auti was invited as

3. Industrial Visits

- **Dreamware IT Solutions, Nashik (05/08/2018)**

Department of Information Technology organized an Industrial Visit for second year students at Dreamware IT Solutions, Nashik on 5th August 2018. Dreamwares specializes in building cloud based enterprise applications, particularly on Force.com platform. Ms. Divya Ghosh (HRM, Dreamware IT Solutions) guided the students through the technologies on which the company is working and various projects of the company.

Staff & Students of the department during the visit

Department of Electronics & Telecommunication Engineering

- **ESDS Software Solutions Pvt. Ltd., Nashik (31/08/2018)**

Department of Electronics & Telecommunication Engineering organized an industrial visit to ESDS Software Solutions Pvt. Ltd., Nashik on 31st August 2018. The students were guided on Computer Networking & Security. Students of the final year took the benefit of the visit.

Staff & Students of the department during the visit

- **Traffic Park, Nashik (25/08/2018)**

Department of Electronics & Telecommunication Engineering organized a visit to "Traffic Park" Nashik on 25th August 2018 for the second year students. The activity was conducted under Audit Course-1 of Road Safety Management.

- ▪ **Fox Solution, Vilholi, Nashik (19/08/2018)**

Department of Electronics & Telecommunication Engineering organized an industrial visit to Fox Solutions, Vilholi, Nashik on 19th August 2019. The students of third year took the benefit of the visit.

Staff & Students of the department during the visit

Department of Computer Engineering

- ▪ **Sivanand Electronics, Nashik (24/08/2018)**

Department of Computer Engineering organized an Industrial visit for the second year students at Sivanand Electronics, Nashik. Sivanand Electronics is specialized in the manufacturing of Test & measuring Instruments, Metal Detectors, Turnstiles, Perimeter security systems. Students observed the demonstrations of Oil testing hardware, security hardware like metal detector and security entrance.

Staff & Students of the department during the visit

Department of MBA

- ▪ **Sahyadri Farmers Producer Company Ltd., Mohadi, Nashik (21/08/2018)**

With an objective of providing the practical insights in to the food processing and manufacturing practices, the Department of MBA organized an industrial visit to Sahyadri Farmers Producer Company at Mohadi, Nashik on 21st August 2018.

Staff & Students of the department during the visit

4. Expert Talks/Lectures

Department of Information Technology

- ▪ **"Cyber Security" by Mr. Bhushan Kavishvar (31/08/2018)**

Mr. Bhushan Kavishwar guiding the students

Department of Information Technology organized an expert talk on "Cyber Security" on 31st August 2018 for third year students of the department. Mr. Bhushan Kavishwar

(Network Security Expert) was invited as a resource person for this session. He briefly explained need of Cyber Security in today's world, types of Cyber-attacks and ways to prevent them.

Department of Electronics & Telecommunication Engineering

- **"Career Guidance" by Mr. Sushrut Kelkar (30/08/2018)**

Mr. Shushrut Kelkar (Alumni, E&TC) delivered an expert talk on 30th August 2018. During this session he shared his experiences and created awareness about industry needs. Students of the third year took the benefit of the session.

Mr. Sushrut & Students of the department during the session

- **"Career as Network Engineer" by Mr. Akshay Goswami (24/08/2018)**

Department of Electronics & Telecommunication Engineering organized an expert talk of Mr. Akshay Goswami through video conferencing. Mr. Akshay is an alumna of the department (2014-batch) and completed his M.S. from Rochester Institute of Technology, USA. He is currently working as Networking Engineer at CISCO Meraki. Dr. V. M. Birari (HoD), staff and students of the department took the benefit of the session.

Mr. Akshay interacting with staff & students of the department

Department of Instrumentation & Control Engineering

- **"GATE 2019" by Mr. Vishal Jategaonkar (29/08/2018)**

Mr. Vishal Jategaonkar from TIME Academy, delivered an expert talk to third and final year students on preparation of GATE 2019. Mr. Jategaonkar also assured excellent services for students at their Hyderabad centre. Session also covered MBA in business schools and exam preparation for banking sector.

Expert & Students during the session

Department of Computer Engineering

- **"WordPress" by Mr. Shailesh Yawalkar (24/08/2018)**

A session on WordPress was organized in Computer Engineering department for the third year students. The session was conducted by Mr. Shailesh M. Yawalkar. He explained the process of website creation and blog creation using WordPress. WordPress is an online, open source website creation tool written in PHP. It is the easiest and most powerful blogging and website content management system in existence. The session also included a hands-on session where students created their own website and blog.

Mr. Shaiesh guiding the students during the session

- **Session on IoT and Blockchain (21/08/2018)**

Department of Computer Engineering organized a session on IoT and Blockchain for the final year students. The sessions were conducted by Mr. Shailesh Gunjal and Mr. Vishal Chavanke (Mindtricks Softwares, Nashik). Mr. Shailesh Gunjal also explained the Live IoT project of the company based on Goat Farming. Mr. Vishal Chavanke explained the Blockchain process with the help of a Case study.

Mr. Shailesh Gunjal explaining IoT

- **Session on Data Science & Analytics (20/08/2018)**

Ms. Preeti guiding the students

Department of Computer Engineering organized a session on Data Science and Analytics for the final year students. The session was conducted by Ms. Preeti Pandhu.

She has completed her Masters in Industrial Statistics and she is a SAS9 certified advanced programmer. She explained Data science which is a multidisciplinary blend of data inference, algorithm development and technology used to solve analytically complex problems. Dr. V. S. Pawar (HoD) and Mr. S. A. Talekar took efforts for organizing the session.

Department of MBA
- **Cyber Security (31/08/2018)**

Department of MBA organized an expert talk on Cyber Security on 31st August 2018. Mr. Vishal Rajole (Student and Nashik Cyber Cell Member) was invited as expert for the session. He demonstrated the importance of cyber security by discussing various cases. Staff members and students of MBA department took the benefit of session.

Mr. Vishal guiding the students during the session

5. Technical Activities
Department of Electronics & Telecommunication Engineering
- **PAES formation (31/08/2018)**

Department of Electronics & Telecommunication Engineering formed the Student Association-PAES (Progressive Association of Electronics & Telecommunication Engineering) on 31st

August 2018. Elected members are: Mr. Mohit Koli (President), Mr. Rushikesh Sukase (Vice President), Ms. Saloni Khairnar (Secretary) and Mr. Deepak Sinha (Vice Secretary)

Student representatives during the event

Department of Instrumentation and Control Engineering
- **Demonstration of Latest Instrument by Rishabh Instruments (29/08/2018)**

Expert, Staff & Students during the demonstration

Mr. Abinash Kumar, Mr. Pranav Kulkarni from Rishabh Instruments gave a demonstration of ND30 meter of Power Network Parameters at the department. This meter is capable of accepting voltage and current signals with temperature inputs and sending it to PLC using Modbus or Profinet Communication protocol. Staff members, second year and final year students took the benefit of the session.

TECHNICAL NEWSLETTER: AUGUST 2018

- **Project ideas verification by experts for Design Innovation Centre (29/08/2018)**

Department of Instrumentation & Control Engineering collected various problems, ideas and submitted to Industrial and Research Experts for their comments on 29th August 2018. Some of these ideas will proceed for implementation. The panel of industrial experts consisted of Mr. Avinash Mahajan, Mr. Shekhar Borase and Dr. Kunal Suryavanshi.

- **Staff Innovative Practical Work (25/08/2018)**

Name of Staff	Topic of Innovative work
Dr. A. R. Kulkarni	Use of high speed counter function block from AAB PLC. TTL signal is interfaced to PLC through FET as switch & its 75 microsecond minimum on time is verified. Highest frequency is up to 5 KHz.
Mr. Y. P. Patil	Design & development of Window detector circuit using IC OP07 & NPN Transistor BC547.The implemented system is useful for detecting user defined window.
Mr. S. R. Pandit	Design & developed a project on Agriculture Automation. Measured Temperature & Humidity from DHT11 Sensor, interfaced with the Arduino board, & accordingly controlled the operation on D.C. motor.
Mr. V. A. Ahirrao & Mr. S. B. Lukare	Developed GUI using LABVIEW software for load current measurement & monitoring using Hall effect Sensor ACS712. The sensor is interfaced with system integrated with LABVIEW Software using DAQ card USB 600g which explores the students use of AI/AO & DI/DO.
Dr. A. K. Patil & Mrs. S. D. Tidame	Tested the functioning of Contactor & MCB of Siemens. Using the same was used to power & control the ON/OFF the water pump.

- **Innovative Teaching practices (23/08/2018)**

Mr. S. B. Lukare used ASME Transaction publication for Second Year Sensors and Transducers subject. Mr. S. R. Pandit selected nine research publications and sent to BE students for the use in their projects. Dr. A. R. Kulkarni (HoD) used proven mind-map technique in the subject Computer Techniques and Application to explain free RTOS and Intel Galileo formulations final year students. Final year Instrumentation and Control Engineering students in a practical session attended an online seminar-discussion and demonstration of Real Time Operating System from MapuSoft.

Online demo of MapuSoft

Department of Computer Engineering

- **MoU with MiTu Skillologies, Pune (01/08/2018)**

Department of Computer Engineering and MiTu Skillologies, Pune has signed an MOU for the purpose of strengthening the Industry Institute Interaction. MiTu Skillologies works for promotion of FOSS i.e. Free Open Source Software in the IT industry. Under this MOU training courses will be conducted on open source technologies. Recently, a training course on Python Programming was conducted under this MOU for the final year students. This MOU will benefit the students for industrial

Ms. S. H. Jadhav (Instrumentation & Control Engineering) being a member for Kerala Relief Fund along with her group members contributed 1.5 Lakh Tablets, 40,000 Gloves, & 20,000 bleaching powder packs.

Ms. S. H. Jadhav & her team members

- **Visit to Matori Grampanchayat (13/08/2018)**

Ms. S. H. Jadhav (Instrumentation & Control Engineering) visited Lakhalgaon grampanchayat, Matori grampanchayat, on 12th & 13th August 2018 to understand the problems faced by villagers. She discussed problems with elected representatives & took them under Unnat Bharat Abhiyan (UBA). Problems discussed included malnutrition of children, waste, garbage collection & preparation of organic fertilizer.

Ms. S. H. Jadhav in discussion with Anganwadi Staff

Department of MBA

- **Village Adoption (04/08/2018)**

The second year students of MBA department visited Rajewadi village under the Village Adoption program on 4th August 2018. During this visit, the student designed and carried out various activities such as Raakhi making workshop for the school students at Rajewadi. The MBA students also demonstrated the importance of sanitation, hygiene and financial planning to the villagers.

MBA students carried out various activities for school children

Department of Information Technology

- **National Sports Day Celebration (29/08/2018)**

Ms. Shweta Shardul guiding the students

Department of Information Technology celebrated National Sports Day on 29th August 2018. The National Sports Day in India is celebrated on 29 August each year. This day marks the birthday of Major Dhyan Chand Singh, the hockey player who won gold medals in Olympics for India in the years 1928, 1932 and 1936. On this occasion, Ms. Mansi Bora addressed the students on the history behind the celebration of National Sports Day. Ms. Shweta Shardul delivered a talk regarding the importance of sports in day to day life. The students of second year took the benefit of the session.

Department of Electronics & Telecommunication Engineering

- **Donation of Solar based LED (10/08/2018)**

Mr. Kishor Gupta (Director, Yashika Energy System), donated Solar based LED Emergency Charger Unit to Energy Club of "MVP-YASHIKA Training center" of Department of Electronics & Telecommunication Engineering.

Mr. Kishor Gupta donating the equipment

- **UBA 2.0 meet at IITB , Mumbai (28/07/2018)**

Mr. V. R. Sonawane (E&TC) and Ms. Seema Jadhav (Instru. & Control Engineering) attended a meeting-UBA 2.0 for West Region at IIT Bombay on 28 July 2018. Unnat Bharat Abhiyan (UBA) is the flagship program of the ministry of Human resource and development. It is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India. They also visited Belgaondhaga grampanchayat on 13th August along with Mr. S. A. Talekar (Computer Engineering) as a part of UBA.
