KBTCOE NEWS LETTER

The NDMVPS's K.B.T. College of Engineering, Nashik has been serving the society since 1999. At present the college provides four year course leading to Bachelor's Degree of Savitribai Phule Pune University in Mechanical Engineering, Computer Engineering, Instrumentation and Control Engineering, Electronics and Telecommunication Engineering, Civil Engineering, Information Technology along with post graduate courses in MBA, ME Mechanical (Design Engineering) and ME Civil (Construction Management).

The purpose of this Newsletter is to provide information to the student-staff fraternity of Nashik and society at large of the news, including relevant announcements and updates that we believe are important to them. However, this newsletter is also a valuable tool for bolstering morale, promoting unity, team spirit, motivating and rewarding achievements of KBT COE, Nashik. This college Newsletter has been started from January 2017 and latest issue will be available on the college website: www.kbtcoe.org

Vision, Mission and Objectives of the Institute :

Vision
To be Internationally accredited, Multidisciplinary, and Multi-collaborative institute working on technology enabled platform fostering innovations and patents through state-of-art academic system designed by highly qualified faculty for the development of common masses at large

Mission
To educate and train common masses through undergraduate, post graduate, research programs by inculcating the values for discipline, quality, transparency and foster career and professional development for employment thereby contributing to the development of society

Objectives
- To develop technically-sound engineers by engaging the students in progressive technical education and to promote students for academic growth by offering state-of-the-art undergraduate, postgraduate programmes
- To undertake collaborative projects which offer opportunities for long-term interaction with society, academia and industry

TECHNICAL NEWSLETTER: JULY 2018

1. Training & Placement

Department of Electronics & Telecommunication Engineering

▪ **Student Placement(July 2018)**

Mr. Yash Wagh and Mr. Swargesh Pingale, final year students are selected as a Service Engineers at Shivananda Electronics Pvt. Ltd .Devlali, Nashik through campus placement.

Dr. K. S. Holkar (Principal), Dr. V. M. Birari (HoD) and the staff of the department congratulated the students for their placement.

▪ **Student Training (July 2018)**

34 students from SE and TE E&TC department have undergone an Industrial training of 15 days during the month of June 2018. Shivananda Electronics Pvt. Ltd., Surya Switchgear Pvt. Ltd., Elite Technologies Pvt. Ltd., NAA Industries & Technical Guidance Pvt. Ltd., Armstrong Machine Builders Pvt. Ltd., Stramma Summit Pvt. Ltd., Motwane Mfg. Co. Pvt. Ltd., Boost Electronics and Visionary Technologies were the companies in which students took the training.

2. Workshops/Seminars/STTPs/FDPs

Department of Information Technology

▪ **Workshop on "Basics of Python" by FOSSEE IIT Bombay(19/07/2018)**

Department of Information Technology in collaboration with FOSSEE IIT Bombay organized a three days' workshop on "Basics of Python" during 19th July 2018 to 21st July 2018 for final year students. Prof. Prabhu Ramachandran (IIT Bombay) guided students through online videos. The participants got in-depth knowledge and hands on practice on Python. During the sessions various online quizzes and practice sessions were also conducted by FOSSEE.

Participants during the hands on session of the workshop

▪ **Workshop on "Cyber Security" by Mr. Bhushan Kavishwar(07/07/2018)**

Department of IT Engineering organized a 01-Day workshop on "Cyber Security" on 7th July 2018. Mr. Bhushan Kavishwar (Network Security Expert) was invited as resource person for this workshop. He guided the students on need of Cyber Security, types of Cyber-attacks and ways to prevent them. The students of second and third year took the benefit of the session.

Resource person and participants during the hands on session of the workshop

▪ **Workshop on "Career Guidance" by Mr. Suraj & Akshay (04/07/2018)**

Department of IT Engineering organized a workshop on "Career Guidance" for the students of SE, TE and BE on 4th July 2018.

TECHNICAL NEWSLETTER: JULY 2018

Mr. Suraj Sutar (KPIT) and Akshay Sonawane (Mozilla Ambassador) were invited as resource person for this workshop. They guided students on importance of skill development, expectations of IT industry and selection of project topics through interactive sessions.

Mr. Suraj Sutar (KPIT), Akshay Sonawane (Mozilla Ambassador) guiding students

- **Seminar on Red Hat by Red-Hat academy, IRT (05/07/2018)**

Department Information Technology started a new Red-Hat Academy Lab in September 2017. Under this academy various courses were conducted for students during last year. 19 students from IT department were certified under this course. Hence in this year Red-Hat academy organized an introductory session on Red-Hat certification on 5th July 2018. Ms. Amreen Gayas (CEO, Red Hat Academy) and Mr. Aditya Bagul (Technical Director, Red-Hat Academy) were the resource person for this seminar. They guided the students on Red-Hat, its certification and utility in IT industry. TE and BE-IT students took the benefit of this seminar.

- **Training on "Project Based Learning" by Ms. R. R. Tajanpure (07/07/2018)**

The Department of IT Engineering organized a training session on "Project Based Learning" on 7th July 2018. Ms. R. R. Tajanpure (Assistant Professor) was the resource person for this session. She briefly explained different learning styles, Bloom's Taxonomy and need of PBL. The faculty members of IT and E&TC department took the benefit of the training session.

Ms. R. R. Tajanpur and Participants during the training session

Department of Electronics & Telecommunication Engineering

- **Workshop on "Basics of Python" by FOSSEE IIT Bombay(12/07/2018)**

Department of Electronics & Telecommunication Engineering in collaboration with FOSSEE IIT Bombay organized a three days' workshop on "Basics of Python" during 12th July to 14th July 2018 for the students. Prof. Prabhu Ramachandran (IIT Bombay) guided students through online videos. The participants got in-depth knowledge and hands on practice on Python. During the sessions various online quizzes and practice sessions were also conducted.

TECHNICAL NEWSLETTER: JULY 2018

Participants during the hands on session of the workshop

Department of Instrumentation & Control Engineering

- **Workshop on PDC Syllabus Discussion (11/07/2018)**

Mr. Y. P. Patil (Assistant Professor) attended and participated in one-day workshop on "Process Dynamics & Control" subject of B.E. syllabus discussion at D.Y. Patil College of Engineering, Akurdi, Pune on 11th July 2018.
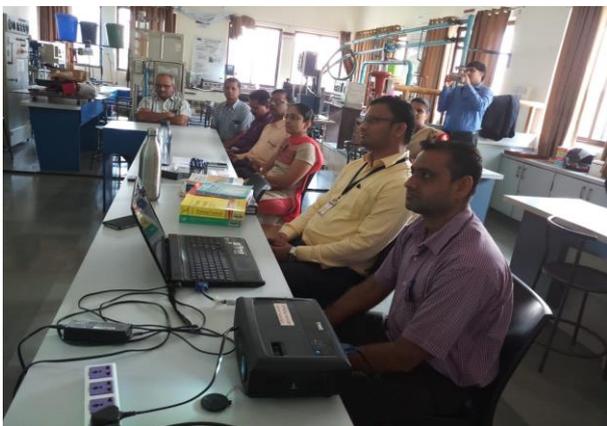

Mr. Y. P. Patil during the workshop

- **Workshop on IIOT (04/07/2018)**

Department of Instrumentation & Control initiated a 45 days' workshop on "Industrial Internet of Things (IIOT)" in association with Raspi Invents Private Limited Nashik from 4th July 2018. Students of Instrumentation &

Control & Mechanical engineering department participated in the workshop.
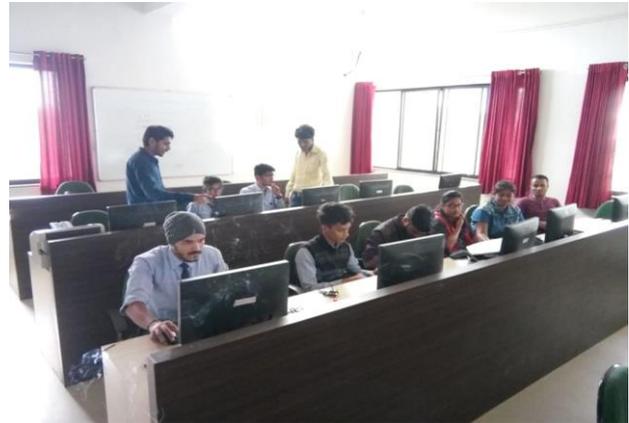

Participants during the hands on session of the workshop

Department of Computer Engineering

- **Workshop on "Project to Product and Entrepreneurship" by Ms. Premlata Mishra (11/07/2018)**

Computer Engineering Department organized a workshop on "Project to Product and Entrepreneurship" for the students of final year. Ms. Premlata Mishra (Advent Engineers Pvt. Ltd.) guided the students to be a successful entrepreneur. During the session, project ideas were presented by students through a group activity. Ms. Harshada Gite specified the technical skills required for the development of project ideas in to tangible product.

TECHNICAL NEWSLETTER: JULY 2018

- ### IoT Workshop (13/07/2018)

Computer Engineering Department organized a workshop on Internet of Things (IoT) for the third year and final year students. The sessions were conducted by Mr. Shekhar Borse (Raspi Invent). The workshop included hands on sessions. He demonstrated the interfacing of various sensors and Raspberry Pi and explained "ThingSpeak" which is an open source Internet of Things (IoT) application, API to store and retrieve data from things using the HTTP protocol over the Internet or via a Local Area Network.
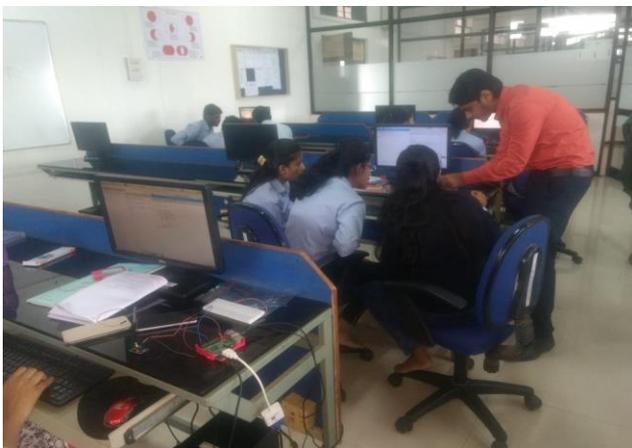

Hands on session during IoT workshop

- ### Training for Technical Staff (22nd to 28th July 2018)

Mr. Amol B. Sabale (ANA, Computer Engineering) conducted CCNA training for the technical staff of Information Technology and Electronics & Telecommunication Engineering departments. The training included the Cisco switch configuration, Cisco router configuration, Cyberoam firewall 300iNG configuration. He also demonstrated the configuration of D-link Wi-Fi access point during the training.
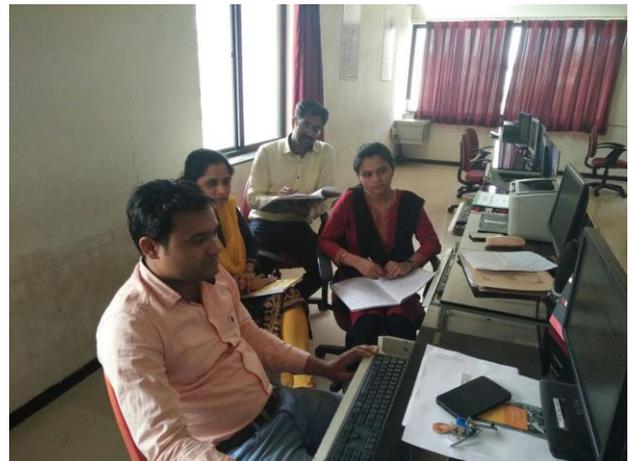

Mr. A. B. Sabale and participants during training session

- ### Training for Technical Staff (7th &14th July 2018)

Department of Computer Engineering organized a Computer training program for the technical staff of the college. The training sessions were conducted by Mr. V.S. Jadhav and Mr. A. B. Sabale. Mr. Jadhav explained computer hardware, printer, projector, scanner and Mr. A. B. Sabale explained installation of operating system, antivirus and networking. The training also included the demonstration of the explained concepts.

- **FDP's Attended by the staff members (June-July 2018)**

Mrs. R. P. Chandwadkar attended the Hands on Training on Project Based Learning at KKWIEER, Nashik on 29th and 30th June 2018.Mr. Pushkar Shinde attended the FDP on Laboratory Practice–I at MIT college of Engineering, Pune on 10th July 2018.Mr. B.S.Gholap attended the FDP on Laboratory Practice–II at D. Y. Patil Institute of Engineering Management and Research Akurdi, Pune on 16th and 17th July 2018. Ms. R. R. Shewale attended this FDP on 18th July 2018.

Department of Mechanical Engineering

- **Seminar on "Career Opportunities for Mechanical Engineers" by Mr. Sampat Chate (24/07/2018)**

A seminar on "Career Opportunities for Mechanical Engineers" was organized by Department of Mechanical Engineering for third year students for which Mr. Sampat Chate (Assistant Director, District Skill Development Center, Nashik) was invited as an expert speaker on 24th July 2018.

Mr. SampatChate addressing the audience

Mr. Sampat elaborated the opportunities for Mechanical Engineers in government sectors. He also guided the students regarding the preparation of various exams like GATE, GRE, TOEFL, IELTS etc.

- **Seminar on 'IPR' by Mr. Sagar Pol (16/07/2018)**

Department of Mechanical Engineering has organized a seminar on 'IPR' on 16th July 2018. Mr. Sagar Pol from Indian Patent Office, Mumbai was invited as an expert for the session. Mr. Sagar covered topics such as importance of Patent, Patent drafting, Patent filing process and Patent examination process in this seminar.

Mr. Sagar Pol during the seminar

3. Industrial Visits

- **Digital Impact Square (18/07/2018)**

Staff of the institute during the visit

As a part of Industry – Institute Interaction activities, the institute organized a faculty

member visit to TCS's Digital Impact Square on 18th July 2018. Mr. Sandeep (Project Head, DISQ) discussed the plan and activities to be carried out in this academic year under this collaboration. On this visit, faculty members were given an opportunity to observe and discuss the ongoing DISQ project with the respective developers.

Department of Electronics & Telecommunication Engineering

▪ **Shree Ganesh Industrial Control, Ambad, Nashik (20/07/2018)**

With intent to provide practical insights in to the production processes, the Department of Electronics & Telecommunication Engineering organized an industrial visit to Shree Ganesh Industrial Control, Ambad, Nashik on 20th July 2018.

Students observing the production processes during the visit

Department of Civil Engineering

▪ **Wastewater treatment plant (13/07/2018)**

Department of Civil Engineering organized an industrial visit at Wastewater Treatment Plant, Tapovan, Nashik for the students of final year on 13th July 2018.Mr. Matale guided the students on process and working of the plant.

BE Civil students observing the wastewater treatment plant

▪ **Concrete Pavement Construction site (13/07/2018)**

Department of Civil Engineering organized an industrial visit at Concrete Pavement Construction Site on 13th July 2018.The site visit was conducted to show the construction stages of permanent road pavement. During visit, the students observed special features of smart road such as underground ducts for passage of utilities. Smart pavement, digit signals, solar powered street lamps etc. among other things.

Students observing the pavement construction site

4. Expert Talk/Lectures

Department of Electronics & Telecommunication Engineering

▪ **"Artificial Intelligence" by Mr. S. A. Talekar (09/07/2018)**

Mr. S. A. Talekar (Assistant Professor, Computer Engineering) delivered an expert talk

- **Stress Management (06/07/2018)**

Department of Electronics & Telecommunication Engineering organized an expert talk on Stress Management on 6th July 2018. Dr. Mukesh Daund, Dr. Sunita Samant and Dr. Chinmay Palsodkar were invited as the resource persons. They explained the techniques of handling stress and emotions through various games and activities. Students of BE-E&TC took the benefit of the session.

Experts interacting with students during the session

Department of Instrumentation & Control Engineering

- **"Aptitude Test Session"(14/07/2018)**

Department of Instrumentation & Control engineering organized a session on "Aptitude Test Preparation" for various exams on 14th July 2018 for third and final year students. Mr. Kiran Derle (Target Campus, Nashik) was invited as an expert for the session. He demonstrated various tricks for solving the aptitude questions.

Mr. Kiran Derle interacting with students during the session

- **Problem Solving, Critical Thinking by Mr. Avinash Mahajan (14/07/2018)**

Mrs. Shubhangi Bairagi and students during the workshop

Paper bags serve as an environment friendly alternative to the plastic bags and owing to the decision of banning plastic bags, the ED Cell of the institute in collaboration with Department of MBA organized a Paper Bag Making workshop on 10th July 2018. Ms. Shubhangi Bairagi was invited to demonstrate the process of paper bag making. The ED Cell coordinators and the students of the institute took the benefit of the session.

Department of Information Technology

▪ **Guidance session on GATE Entrance Exam 2018-19**

Department of information technology has started "GATE Study Center" for students under the guidance of Dr. V. R. Sonawane (HoD). Under this center, IT department organized a guidance session on GATE entrance exam 2019 on 25th July 2018. It was conducted by Dr. V. R. Sonawane (HoD). In this session he gave brief introduction and importance of GATE exam. He also briefly explained future plans and activities of this center.

Dr. V. R. Sonawane (HoD) guiding the students

Department of Electronics & Telecommunication Engineering

▪ **IETE Student Chapter (17/07/2018)**

Dr. K. S. Holkar (Principal) inaugurated IETE Student Chapter (ISF) and facilitation of new IETE student's committee of Department of Electronics & Telecommunications Engineering. Mr. Nitin Mahajan (GM Telecom) was Chief Guest for the function. Dr. M. D. Kokate (Ex. President, IETE Nashik Sub Center), Mr. Shashikant Bhadane (Treasurer, IETE Nashik Sub Center), Mr. R. R. Mahajan (BSNL, Nashik) were the Guest of Honour.

Dr. K. S. Holkar (Principal) inaugurated IETE Student Chapter

Department of Instrumentation & Control Engineering

▪ **Visit of Industry Representatives (27/07/2018)**

Dignitaries from Armstrong Machines Pvt. Ltd., Nashik visited the department on 27th July 2018. Mr. Pranav Majgaonkar (M.D.) along with his team interacted with Dr. N. S Patil (Education Officer, MVP Samaj) and other faculty members. Dr. A. R. Kulkarni (HoD) gave presentation on various activities of the department. They visited all the laboratories, took feedback from students, appreciated the innovative work done by students and showed keen interest in working together in future on various projects.

Mr. Pranav Majgaonkar (MD, Armstrong Machine Builders) felicitated by Dr. N. S. Patil (EO, MVP Samaj)

Department of Computer Engineering

▪ **MoU with V3 Data Solutions (10/07/2018)**

Department of Computer Engineering and V3 Data Solutions have signed an MOU for the purpose of strengthening the Industry Institute Interaction. V3 Data Solutions works for promotion of FOSS (Free Open Source Software) in the IT industry. Under this MOU, the training courses on open source technologies will be conducted. This MOU will also benefit the students for industrial projects and career development in IT sector.

6. Student/Staff Achievements

▪ **Felicitation of Toppers**

To acknowledge the efforts taken by the students and to motivate them Dr. K. S. Holkar (Principal) and all the HoDs felicitated the toppers of on 13thJuly 2018. They also extended their best wishes for the bright future of the students. Few glimpses of the felicitation program are as follows:
